EVALUATION CHART

Directions: On the following chart, circle the question numbers that you answered incorrectly, and evaluate the results. Turn to the appropriate chapters, read the explanations, and complete the exercises. Review other chapters as needed. Finally, complete the post test to assess your progress and to further master the Common Core standards. Between the pretest and the post test, all chapter materials are assessed. See the Chart of Standards in the introduction.

Note: Some questions may appear under multiple chapters as they test multiple skills.

Chapter	Question Number
